

Good Evening Families,

We realize that at this point COVID-19 updates seem to be coming every hour. Like you, we are monitoring the information closely. Our goal in communication with our families and associates is to provide pertinent updates and how they affect KCC schools as we receive them.

Late this afternoon, the State Department of Education directed all public schools in our state to close for two weeks due to concerns over the Coronavirus. KCC Schools are on Spring Break next week, so this means our charter school students will not be returning to school until Monday, March 30th.

Here are the precautions that KCC Charter Schools will be taking during this period:

- All charter school campuses will be closed to students for the next two weeks
- Continuing educational instruction for all our students online through Edsby using our Online Learning Plan starting the week of March 23rd
- Thoroughly cleaning and sanitizing all schools

**IMPORTANT, the restrictions and required reporting for Travel are still in place:**

- Anyone who travels anywhere out of the country OR on a cruise **MUST** self-isolate for 14 days upon return. This means no going to school or work. This is a new state rule, just published today.
- CURRENTLY, there are no special restrictions on travel inside the U.S. HOWEVER, if you get sick with symptoms of Coronavirus or have contact with a confirmed case of COVID-19, you MAY be directed to self-isolate by the health department.
- ADDITIONALLY, when we return to school on March 30th, a specific procedure will begin for any student, employee or other person who needs to come to a school and meets any one of the following requirements:
  - They have traveled out of the country or gone on a cruise within the past 14 days; or
  - Believes they may have been in contact with a person who has tested positive for Coronavirus; or
  - Believes they may have symptoms of Coronavirus.

**Any person who fits ANY ONE of those three requirements must advise the campus and complete a Return to School Form.**

Please continue to check email as well as our school Facebook page and the KCC Website at: <https://mykidscc.org/covid-19-updates/> for up-to-date information as we receive it.
