

Our Early Success Keys embody a proven formula for success and celebrate the kind of personal fulfillment, excellence and accomplishment exemplified by our team members. Our definition of success is deeply rooted in the performance and success of our individual students and not solely on the number of students served. By embracing a position of high-quality over quantity, the Kid's Community College® network shares a common, extremely focused and comprehensive vision of addressing the need for high-quality early childhood, primary and secondary education within a trusted, focused system. Boasting a 10 year parent satisfaction rate of 97.8% and an employee satisfaction rate of 96% are but a few of our company's proud successes.

With recognized expertise in providing individualized education for early learners. Kid's Community College® Orange campus has gained prominence for our academic offerings and student performance. Each day we live our motto of being "Dedicated to the well-being and educational success of EVERY child." Our certified, well trained, enthusiastic faculty are committed to delivering a premiere education to each student. Our staff is dedicated, experienced and professional.

There is a strong sense of pride and servitude in the growth of our Orange County campus. Our award winning service approach to our customers along with a host of diverse and talented associates, makes an impact on the quality of work life for every team member and the quality of life of each of the student families they serve. Our team works together so that all children are individually prepared for the 21st century. We strive to make sure that each of our students and student families experience the rights, respect, guidance, success, safety, security, and benefits that they deserve. This shared vision of service is reflected through our guiding principles and Early Success Keys™.

OUR 5 EARLY SUCCESS KEYS™

"KCC operates each day with the guiding belief that each child is uniquely smart and can be successful in school and in life." - *Tim Kilpatrick, Kid's Community College® Superintendent/Founder*

KEY #1: INDIVIDUALIZATION

To ensure early and sustained success for each student, Kid's Community College® has developed patented and registered trademarked specific Individual Development and Education Plans that allow the school and students to be excellent at satisfying clearly defined early childhood, primary and secondary educational benchmarks.

KEY #3: HIGH-QUALITY NOT QUANTITY

The Kid's Community College® embraces a position of high-quality over quantity in our services and the way they are delivered and maintained. Our educational network offers an extremely comprehensive method of addressing the need for high-quality, individualized, innovative education within a trusted, focused system.

KEY #2: DIFFERENTIATION

Kid's Community College® offers a rigorous and challenging curriculum. Using a progressive model that combines multiple intelligence and differentiated instruction with performance education, our school is designed exceed the Next Generation Sunshine State Standards while emphasizing the development of problem solving, critical thinking, and other skills specific to each student's learning modality.

KEY #4: SMALL CLASS SIZE

Kid's Community College® Orange Campus maintains a low student to professor ratio. The small classes and one on one attention guarantee the best environment for student success. Intimate class settings allow our professors to tailor learning to the individual learning modality of each student we serve.

KEY #5: SCHOOL / FAMILY PARTNERSHIP

Kid's Community College® is committed to working in conjunction with our student families to provide academic excellence in and outside of the classroom. We are dedicated to the overall well-being of our students and work with our student families to provide a well rounded comprehensive early learning experience.
